Sloan Hand Dryers
Speed, sound and energy efficiency in a variety of options.
Sloan wall-mounted hand dryers

The perfect fit for any commercial project.

Sloan wall-mounted hand dryers aren’t just quieter, but are more energy-efficient with Environmental Product Declaration (EPD) reports that make them better for the environment too. We offer them in a variety of finishes to match any commercial project aesthetic and they pair well with other Sloan products for a complete restroom solution.

**Features and Benefits**
- 95% cost savings versus paper towels
- Fast dry time
- Noise level options
- Hygienic
- Cost savings
- Better for the environment than paper towels

**Sloan Optima Air™**

Quiet, hygienic and ADA compliant.

The Optima Air high-speed, energy-efficient hand dryer is surface mounted. It dries hands in 14 seconds using 950 watts or less, with a slimmer profile to meet ADA compliance standards.
