

SloanStone Quartz Gradient Sink QSGR-81000 (3 sinks) in SloanStone Stone Gray with BASYS® EFX-250 Faucet and Sloan ESD-500 Soap Dispenser and angled stainless steel enclosure.

SloanStone® Quartz

Quartz sink decks engineered to perform.

Our engineered SloanStone Quartz sink decks offer the perfect blend of beauty, durability, and cost-effectiveness. These molded decks feature a seamless, non-porous construction that makes for an extremely scratch and stain-resistant, hygienic, and easy-to-maintain surface.

Our sink decks contain a minimum of 85% quartz per deck, more than any molded-style sink in the industry. With three distinct colors to choose from, you can add style and industry-leading performance to your next commercial project.

SloanStone Quartz Coast Carrara

Add the white sands of the beach to your restroom with Coast Carrara.

SloanStone Quartz Arctic Frost

Create a cool and refreshing palette with the glimmering speckle of Arctic Frost.

SloanStone Quartz Stone Gray

Add an air of tranquility with the earthy and pebbled style of Stone Gray.

Two sink styles

SloanStone® Arrowhead is a unique and modern design that comes to a slight point with an open front edge. SloanStone Gradient is a contemporary design that brings a strong visual presence with a clean form and dramatically angled basin.

Arrowhead shown with wall-mounted angled stainless enclosure and Clark Street ESD-411 Combination (EBF-415 Faucet and ESD-410 Soap Dispenser)

Gradient shown with wall-mounted angled stainless enclosure and Rush Street ESD-421 Combination (EBF-425 Faucet and ESD-420 Soap Dispenser)

Arrowhead (QSA Series)

- Available in 1 and 2 stations
- Faucet and soap dispenser options available
- Angled bracket or angled stainless enclosure mounting options

Gradient (QSGR Series)

- Available in 1 and 2 stations
- Faucet and soap dispenser options available
- Angled bracket or angled stainless enclosure mounting options

Beauty that beats the competition

Our SloanStone Quartz sink decks combine stunning aesthetics with unmatched durability, excelling in even the most challenging conditions.
